Challenges Faced by Women Today

Gender Discrimination and Bias

Another grave issue is gender-based violence, which affects women globally. From domestic abuse to sexual harassment, these acts threaten women's safety and dignity. Addressing these problems requires comprehensive legal frameworks and societal change.

Lack of Representation

Women remain underrepresented in decision-making positions across sectors. According to global studies, women occupy less than 25% of parliamentary seats in many countries. This underrepresentation leads to policies that often overlook women's needs and perspectives.
