Star Trek's popularity surged in the 1960s with the original series, inspiring a vast universe of movies, series, novels, and collectibles. During the late 20th century, calendars became a popular way for fans to enjoy their favorite franchise year-round. Early calendars primarily featured promotional images or stills from episodes, but as the franchise expanded, so did the variety and sophistication of the merchandise.

By the 2000s, especially with the advent of digital art and high-quality printing, calendars began to showcase more intricate and thematic artwork. Star Trek Ships of the Line wall calendars emerged as a niche, focusing exclusively on the detailed illustrations and schematics of starships, emphasizing their design, armament, and unique characteristics.
