Area Control and Influence

The game map depicts key European regions, each with specific strategic value. Players vie for influence through military deployments, diplomatic treaties, and covert operations. Control over regions affects resource generation, victory points, and strategic positioning.

Alliances and Diplomacy

Negotiation plays a pivotal role. Players can form alliances, sign treaties, or engage in covert sabotage. Diplomatic actions can shift regional influence and alter the balance of power, emphasizing negotiation as a core skill.

Conflict Resolution

Military conflicts are resolved through card play and dice rolls, with modifiers based on regional influence, military strength, and strategic positioning. The game emphasizes tactical decision-making, where miscalculations can lead to significant setbacks.
