Understanding the Concept of Pamman Novels in Malayalam Literature

Defining 'Pamman' in the Context of Malayalam Novels

The term "pamman" in Malayalam loosely translates to "honor," "prestige," or "respect," and is often associated with cultural notions of social standing and moral integrity. In literary terms, pamman novels are characterized by their focus on themes related to social reputation, traditional values, and the preservation or critique of societal norms.

While not a formal genre with strict boundaries, pamman novels generally depict characters and narratives centered around issues of honor, caste, family reputation, and the intergenerational transmission of cultural virtues. They often serve both as preservation of cultural identity and as a platform for social critique, highlighting the tensions between tradition and modernity.
